

IARU Region 1 ATV Contest 2023 Results

The IARU Region 1 ATV Contest was held on 10/11 June 2023. There were 62 entrants from 9 countries competing, using bands from 50 MHz to 47 GHz.

For the second year running, the overall winner was Erwin OE8EGK, who was one of a number of stations who maximised their points through roving to multiple sites. Lex PE1CVJ won the 50 MHz section.

Full results are presented in the following pages. The BATC 2m ATV contest results have also been included for information only.

Thanks to Hans PA0WYS for the excellent scoring software.

Please don't forget next year's IARU ATV Contest on 8/9 June 2024. I will not be coordinating the 2024 Contest and a volunteer to replace me has yet to be found. If you are prepared to take on the role and help promote your hobby, please contact me at atv@iaru-r1.org.

Dave, G8GKQ
